

LAB ASSIGNMENT – 2

Visualizations & Comparative Charts

Student Name	Pratyush Jha	Roll No.	2401201017
Programme	BCA (AI & DS)	Semester	V
Course Code	ENCA351	Section	B
Course	Design and Analysis of Algorithms Lab	Faculty	Dr. Aarti

3. Generate Visualizations and Comparative Charts

The chart appearance is customized for this submission with a clean KRMU-inspired academic look, different markers and a student watermark.

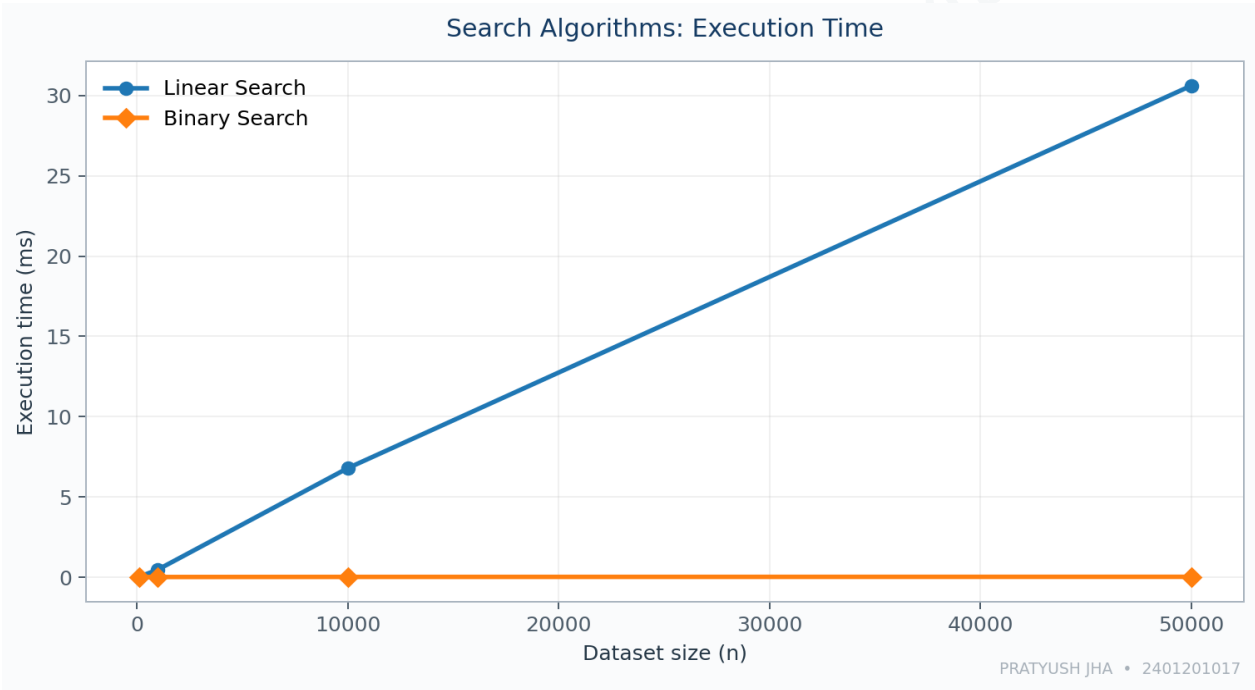

Figure 1. Dataset size vs execution time for Linear and Binary Search

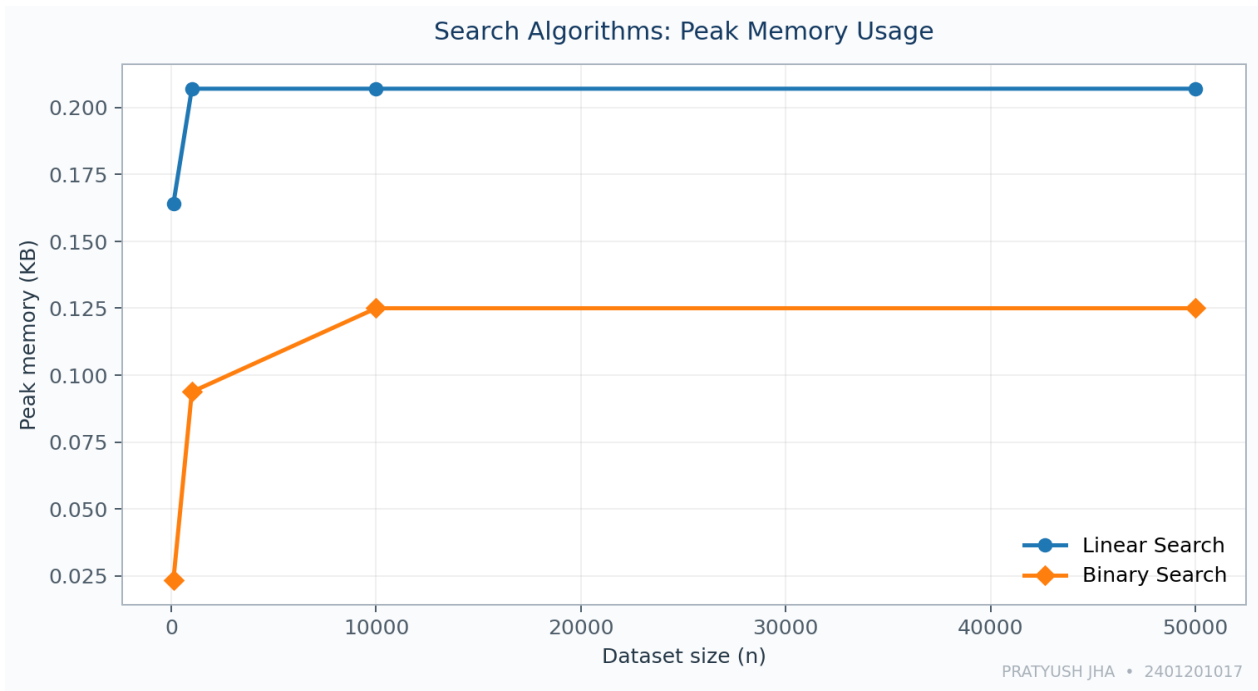

Figure 2. Peak memory usage for Linear and Binary Search

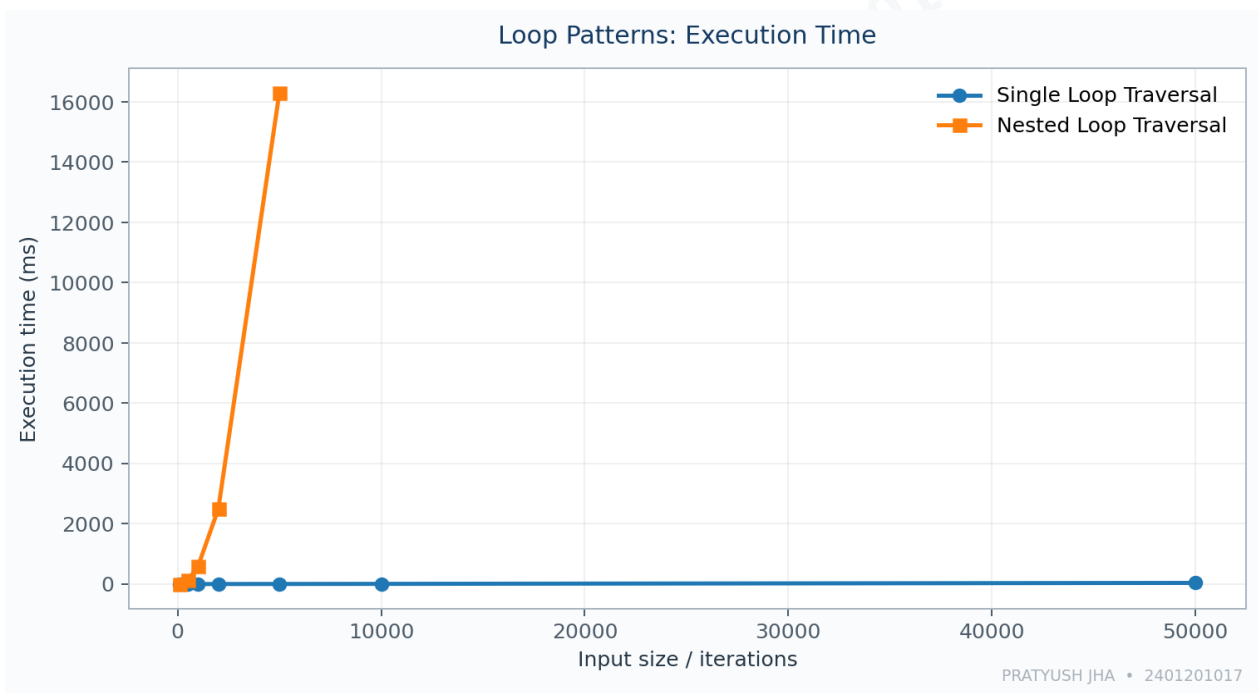

Figure 3. Execution time comparison of Single Loop and Nested Loop

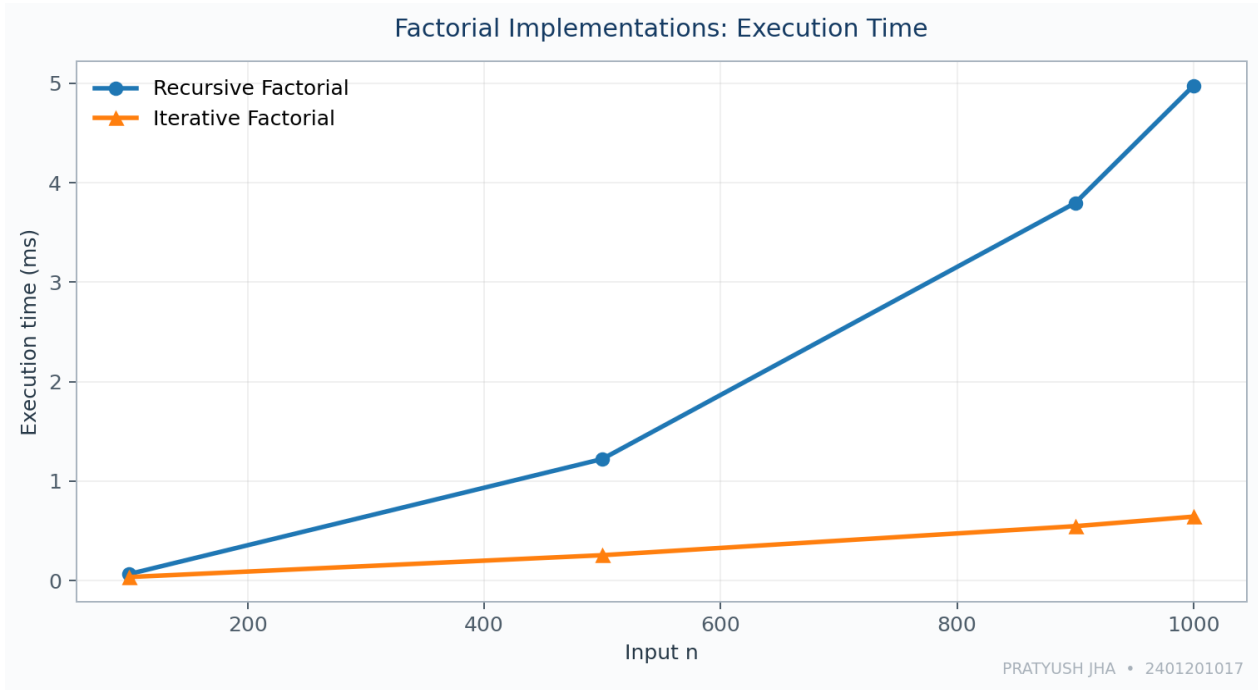

Figure 4. Execution time comparison of Recursive and Iterative Factorial
